

Tech Soft 3D's Super Model Design Competition

Submit your model for a chance to be a SUPERSTAR and win cash prizes!

Admit it – Cars are sexy. Airplanes are sexy. And if you're like the rest of us engineers and designers, elegant mechanical assemblies, equipment, engines, and consumer products are too.

There are some amazing designers out there. Are YOU one of them? Show the world what you're capable of. We want YOUR best 3D assembly to be the poster model for Tech Soft 3D products! Send us your original 3D CAD creation for a chance to win fame and one of three cash prizes!

1st Place
